

# COMPANY PROFILE

Discover the Artistry of Fine Furniture at NITRAA FURNITURES -  
Where Quality Meets Design, and Your Vision for an Elegant,  
Comfortable Home Becomes a Reality

## Vision

We envision a world where every living space seamlessly blends comfort, innovation, and timeless elegance.

Guided by a commitment to international standards, we aim to be the global leader in crafting furniture that transcends functionality, creating environments that inspire and elevate the essence of living.

## Mission

Driven by a passion for precision and unwavering dedication to quality craftsmanship, we aim to redefine the art of living. We strive to bring international excellence to every home, office, and commercial space. Our diverse range of meticulously designed furniture harmonizes modern aesthetics with unparalleled functionality.

## **INNOVATION**

We constantly explore and embrace innovative design concepts and materials to create furniture at the forefront of contemporary living.

## **Quality**

We uphold the highest standards of craftsmanship and material selection, ensuring each piece of furniture excels in durability and aesthetics.

## **CUSTOMER CENTRIC APPROACH**

We prioritize customer satisfaction by understanding and meeting the unique needs and preferences of our diverse clientele.

## **SUSTAINABILITY**

We embrace eco-friendly practices and sustainable sourcing to positively impact the environment and the communities we serve.

## **COLLABORATION**

We foster a culture of collaboration, working closely with designers, artisans, and partners to deliver exceptional furniture solutions.

## **GLOBAL IMPACT**

We collaborate to create furniture that not only meets but sets international standards, positively impacting global living spaces.

## **Duramen Dekors - International Standards of Business**

Duramen Dekors adheres to the highest international standards of business ethics and practices, prioritizing sustainability through the use of eco-friendly materials and processes. Renowned in the furniture manufacturing industry, we offer premium solutions for home interiors, home and office furniture, commercial fit-outs, hotel decor, and turnkey projects. Under the brand NITRAA, we deliver innovative and high-quality furniture that exceeds expectations.

## **NITRAA - Our Brand**

Since our inception, NITRAA has embodied our commitment to quality, style, and sophistication. With NITRAA, we strive to create furniture that not only meets but exceeds international standards, ensuring customer satisfaction and loyalty.

## **RAMUARUMUGAM**

With more than 30 years of experience in the furniture industry, Mr. Ramu Arumugam contributes a wealth of knowledge and expertise to Duramen Dekors and NITRAA. His understanding of market trends and customer preferences has played a crucial role in shaping our products and services to meet the changing demands of our clients.

As the driving force behind Duramen Dekor's success, his extensive expertise spanning over three decades has guided our organization to new achievements. His unmatched knowledge and market acumen have steered our strategies in design, manufacturing, and customer service to reach new levels.

## **LOKESH V**

As a seasoned professional with 18 Years of experience & a background in finance control and international business, Mr. Lokesh V plays a pivotal role in Duramen Dekors' strategic growth and financial management. His expertise ensures the company remains agile and adaptable in the ever-evolving furniture market while maintaining a strong focus on sustainability and innovation.

Mr. Lokesh V's business acumen and strategic vision have been instrumental in driving the growth and expansion of both Duramen Dekors and NITRAA.

## **S KARUNA RATHINAM**

Mr. Karuna Rathinam is a seasoned professional with a robust background in events, production, sales and marketing within the mineral water and beverages industry. An engineering graduate, Mr. Karuna has a proven track record of driving both top-line and bottom-line growth.

He brings a unique blend of creativity, strategic vision, and operational excellence to any organization. His comprehensive understanding of market dynamics and consumer behaviour coupled with his ability to execute innovative strategies, positions him as a valuable asset in any competitive business environment.

# Business Road Map

## Manufacturing Capabilities and Capacities

Engineered Wood Products: Capable of producing up to 150 SKUs per shift, demonstrating robust capability in crafting a diverse range of engineered wood furniture items efficiently.

Solid wood Products : Our advanced machinery produces 35 to 50 dining sets daily, ensuring efficiency and quality. We also craft durable and elegant teakwood door frames and shutters.

Upholstery Sofas: Efficiently manufacturing 40 units per shift, showcasing proficiency in upholstery work and the production of fabric-based and solid wood furniture items.

Metal Furniture, Mattresses, Doors: Utilizing advanced design and modular automotive fabrication techniques for metal furniture, along with imported mattresses and membrane press doors. Also offers solid wood frame doors and PU-coated door designs with efficient capacity utilization.

## Manufacturing Capabilities and Capacities

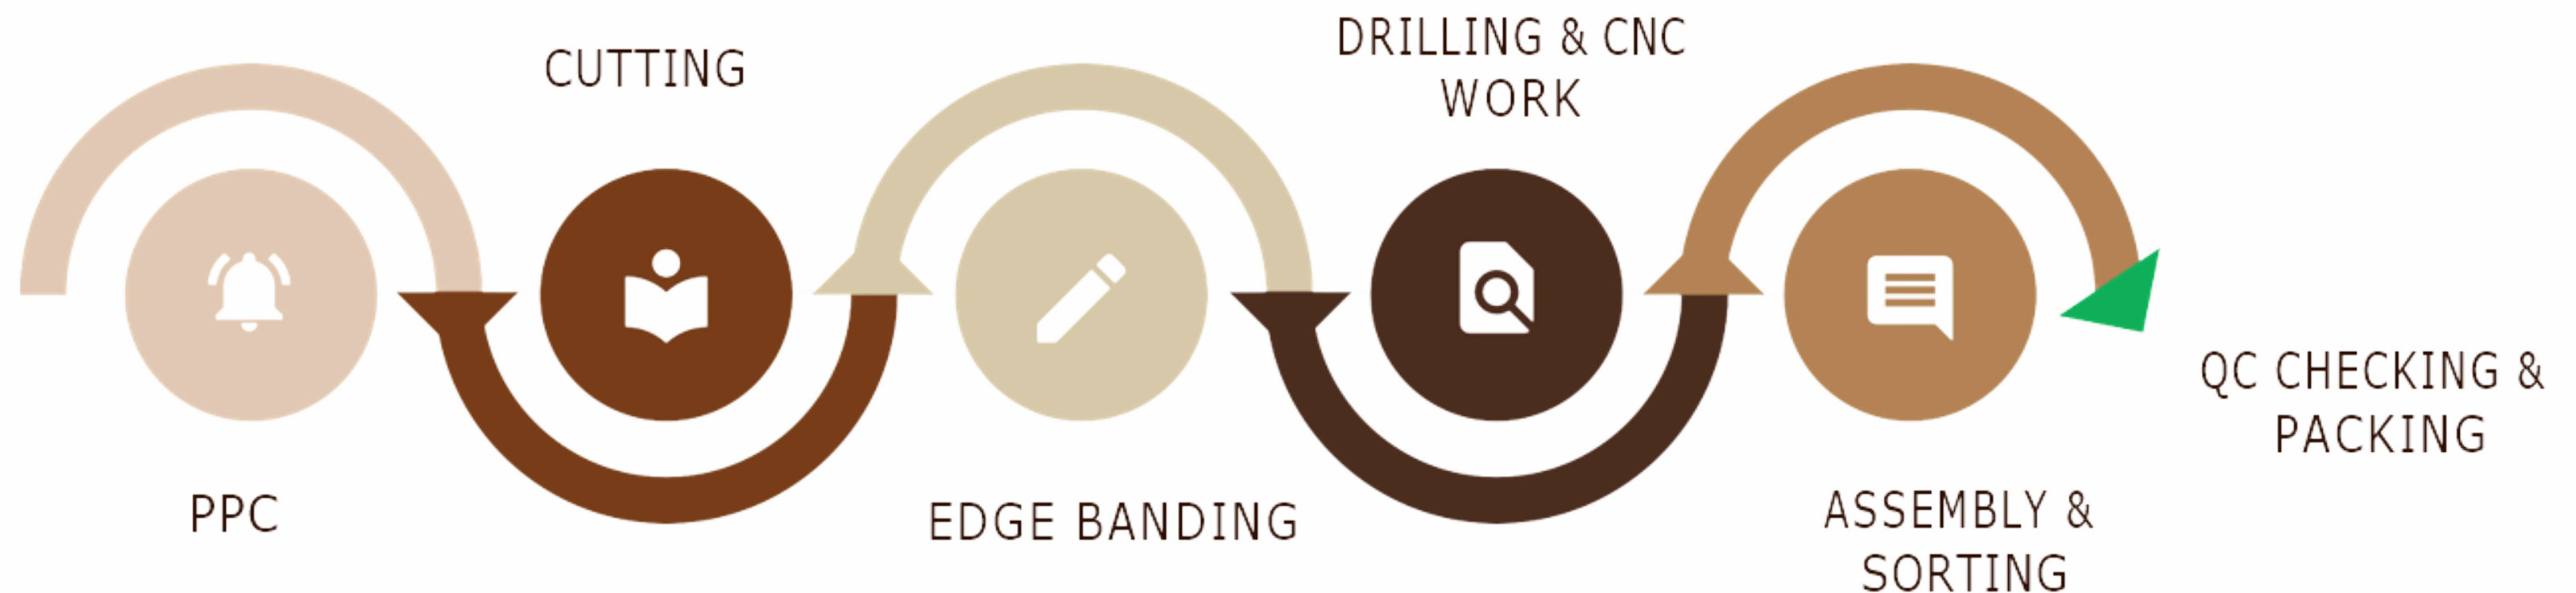

Modular Work Stations, Home Decor, Commercial Interiors And Office Solutions: Factory vs. Site Work Distribution: 70% at the factory and 30% on-site. This distribution highlights our comprehensive range of products and services, including modular home interiors, commercial interiors, and office fit-out solutions. We manage the majority of manufacturing processes at our factory, with on-site work ensuring flexibility to meet client needs.

Overall, We have a well-rounded production capacity, capable of efficiently manufacturing a wide variety of high-quality furniture products. Our diverse capabilities enable us to cater effectively to both residential and commercial markets, offering tailored modular furniture solutions that meet customer requirements.
